IMPORTANT NOTES:

Students should seek an appointment with an Academic Advisor to determine courses which best meet individual academic goals and to discuss transfer options including verification of courses towards the completion of the Michigan Transfer Agreement (MTA). Students must complete a minimum of 60 credits in approved courses to earn a degree at Kellogg Community College with a minimum cumulative grade point average of 2.0 or higher. Contact Academic Advising at kellogg.edu/advising or call **269 965-4124**.

Academic Department Contact Information:

Contact the Allied Health Department for more information at **269 660-2303**.

NOTE 1: Students formally accepted to participate in Allied Health, Emergency Medical Services, or Nursing programs are required to comply with clinical access requirements prior to, and potentially during clinical education placement in a hospital, outpatient clinic, or other clinical education providers. The Program's Director or Coordinator will provide students with detailed direction and timeline for completing all clinical access requirements including:

- Students are required to undergo a physical examination, immunizations, a drug screen, and criminal background check.

For more information, contact the Allied Health Director.

NOTE 2: Students with a positive drug screen will be deemed ineligible to participate in clinical education. Furthermore, as clinical education is a critical requirement of nursing, allied health, and emergency medical services programs, the student will be dismissed from their current program of study. For students who would like to be considered for re-admission, they should refer to their program's policy of re-admission and direct questions to the program director.
