

2022-2023 Magnetic Resonance Imaging (MRI) Admission Packet

for Summer 2022 Program

Deadline — February 1, 2022
Application available November 1

The MRI program at Kellogg Community College prepares students to enter the career of medical imaging as a magnetic resonance imaging technologist. The program includes a rigorous curriculum of classroom, lab, and clinical education experiences in the Medical Imaging departments of hospitals and other health care facilities preparing the student for success on the national certification exam administered by the American Registry of Radiologic Technologist (ARRT) (<https://www.arrt.org/about/about-us>).

This is a competitive point-based admission process. Points are awarded for grades in coursework, ACT/SAT scores, degrees earned, and calculated GPA from **all** accredited colleges/universities attended.

The EPiC (Educational Programs in Collaboration) consortium admits 36 students from 8 participating colleges. To see the full list of participating colleges, visit micollegesonline.org/mriprogram.html.

All students **must** complete a KCC General Application and have met **all** admissions requirements prior to applying to the MRI program.

To apply for the MRI program, please go to kellogg.edu/magnetic-resonance-imaging

IMPORTANT NOTES FOR NEW/CURRENT, TRANSFER AND REGISTERED TECHNOLOGIST OPTION:

- Future employers may require proof of high school or GED completion as an employment requirement.
- Meet early and often with an Academic Advisor after submitting KCC's General Application and submitting college transcripts and ACT/SAT scores, but prior to submitting the MRI application, to review course specific requirements and transfer equivalencies.
- Transfer transcripts should be on file and evaluated by KCC's Registrar's office before meeting with an Academic Advisor to get the most out of your appointment. Please note that it can take a maximum of two weeks for in-state transcripts and four weeks for out-of-state transcripts to be evaluated.
- Students accepted into the MRI program are required to undergo a physical examination, immunizations, a drug screen, and criminal background check. Individuals may obtain a preliminary determination from the state of Michigan's Department of Licensing and Regulatory Affairs (LARA) concerning whether any court judgments against him or her would likely result in a denial of a license. The form to request this preliminary determination can be found by going to michigan.gov/documents/lara/PHC_Predetermination_form_651538_7.pdf.
