VI. On March 18, 2020 KCC elected to suspend all on campus courses and activities in compliance with the Governor’s Executive Order 2020-11 which limited the number of individuals allowed in a public space to 50 or less. This abrupt closure and resulting change in instructional methodology from a face to face model to a required online only model caused undue hardship on all students electing to begin or continue their studies at KCC. The Michigan Department of Health and Human Services directive issued March 19, 2021 removed the limits on individuals allowed in a public spaces, however KCC elected to continue offering the majority of courses in an online format through the summer semester. Any student meeting the US Department of Education’s published eligibility requirements as of May 21 for 2021 Summer is identified as eligible to receive funding under Section 2003(a)(1) of the ARPA Emergency Grant program. Noting that the US Department of Education placed an emphasis on disbursing funds to students with exceptional need, KCC has elected to provide additional grant assistance to those students with demonstrated Pell, Michigan Futures for Frontliners and/or Michigan Reconnect grant eligibility. The College will award and disburse ARPA funding in the following manner:

- a. Any student that is actively enrolled as of July 8, 2021 for the 2021 Summer semester and continues to meet the US Department of Education’s published eligibility requirements, will be automatically eligible to receive an emergency grant. Grant amounts are subject to the terms outlined in the table below.
- b. Any student that is actively enrolled as of September 13, 2021 for the 2021 Fall semester and continues to meet the US Department of Education’s published eligibility requirements, will be automatically eligible to receive an emergency grant. Grant amounts will be determined at a future date.

Any student that is actively enrolled as of February 7, 2022 for the 2022 Spring semester and continues to meet the US Department of Education’s published eligibility requirements, will be automatically eligible to receive an emergency grant if funding remains available. Grant amounts will be determined at a future date.
