

If an employee or student is experiencing the principal symptoms of COVID-19, they are required to stay home. Symptoms per the CDC website are:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea
-

○ Testing

- Employees and students are encouraged to get tested and stay at home in isolation until results are received.
- **If, at any time, a positive test result is determined, follow the Response to Positive Test Result Protocol (www.kellogg.edu/coronavirus).**

TESTED, BUT RECEIVE A NEGATIVE RESULT

1. Employee or student is to self-monitor and may return to work/school:

After 24 hours of no fever without the use of fever reducing medications

AND

Symptoms* have significantly improved

NOT TESTED

1. Employees and students are encouraged to contact their health provider and follow their directions.

a. Students:

- Contact the Covid Compliance Coordinator at covid@kellogg.edu or (269) 565-2807 to discuss College protocols
- Contact Instructor(s) to inform them of need to isolate due to COVID-19-related symptoms and request online learning arrangements.

b. Employees:

- Contact the Covid Compliance Coordinator at covid@kellogg.edu or (269) 565-2807 and their supervisor to determine remote working considerations.

2. Employee or student is to self-monitor and may return to work/school:

After 24 hours of no fever without the use of fever reducing medications

AND

Symptoms* have significantly improved
