Scenario Based

Objectives: The participant of the CE session will:

1. Review Ambulance Operations
2. Review Medical Control Issues
3. Review Crime Scene Awareness

Outline for Lecture and Practical Presentation:

- I. Introduction, Paperwork, Agenda
- II. Lecture Presentation: Ambulance Operations,
- III. Equipment stocked with current dates of expiration
- IV. Medical Control issues and protocol use
- V. Crime Scene Awareness
- VI. Practical Presentation: Using Check Sheets go through Ambulance
- VII. Scenarios using protocols, and addressing Medical Control Issues
- VIII. Scenarios using crime scene awareness

Student Evaluation Method:

No formal evaluation of participant will occur, however, Medical Control may wish to use protocol testing for Medical Control Issues

Evaluation of Presentation:

Standard Kellogg Community College Evaluation form will be filled out by participants

Rationale for Presentation:

To educate the participant in the latest of EMS systems operations, and assist Medical Control in orientation of new protocols, or noticing a weak area of protocol adherence.
