

1. Student applies to KCC
2. Student KCC account is created within 24 hours and LTR is added to their portal account
3. After 24 hours, student logs into their Bruin Portal
4. Click on the Student Resources tab:

5. Select Safe Campus Training

6. Select Kellogg Community College – Learning Technologies Readiness (LTR) will be an option for students to select.

Once complete, they will receive a certificate and the training will look like this, showing it as complete.
