

KCC CAREER PLANNING

KCC offers assessment tools to help define your interests and skills and pair those with multiple careers options to consider.

Here's how to get started!

Step 1: Scan the QR code or visit kellogg.pathwayu.com

Step 2: Create an account.

Step 3: Go to 'View Assessments' and click 'Start your Journey.'

Step 4: Click 'Start Assessment' and complete the four assessments, named, Interests, Values, Personality, and Workplace Preferences.

Step 5: Once your assessments are complete, you should see your results immediately. You can then print or download your results and set up an appointment to share with us or share with family/friends.

Step 6: You can also click 'Explore Career Matches' where Pathway U will combine your results and pair with careers that best suits you.

Step 7: You can toggle between 'View by Subject Area' and 'View All Careers' where you can either look at subject areas or career fields that matches your assessment results. You can see a variety of options and will rate from very strong to weak between both areas.
