IMPORTANT NOTES:

Students should seek an appointment with an Academic Advisor to determine courses which best meet individual academic goals and to discuss transfer options including verification of courses towards the completion of the Michigan Transfer Agreement (MTA). Students must complete a minimum of 60 credits in approved courses to earn a degree at Kellogg Community College with a minimum cumulative grade point average of 2.0 or higher. Contact Academic Advising at kellogg.edu/advising or call 269-965-4124.

High School Dual Enrolled and Early College students should contact the Admissions Office at dualenrollment@kellogg.edu or call 269-565-2042. Additional Early College program map option are available at kellogg.edu/admissions/earlycollege.

Service-learning endorsement is required! Additional required degree criteria is listed in KCC's Academic Catalog under degree and certificate requirements.

Academic Department Contact Information: Contact the Nursing Program at 269 660-2305, for more information.

NOTE 1: Students can place into BIOL 201 based on a grade of "C" or higher in one year of high school biology, a "C" or higher in BIOL 101 or higher, or by enrolling in BIOL 201C concurrently. Students who do not meet the prerequisite for BIOL 201 and elect to complete BIOL 201C will be required to take it as a corequisite at the same time as BIOL 201. Students may also elect to take BIOL 101 as a prerequisite to BIOL 201.

NOTE 2: The MATH requirement may be met by scoring 250 or higher on ACCUPLACER Quantitative Reasoning; 25 or higher on paper PSAT/SAT Mathematics, or 530 or higher on digital PSAT/SAT; or 46 or higher on ALEKS PPL. Placement must be completed within six years prior to the start of the program.

NOTE 3: These courses are required towards the completion of an AAS in Nursing Degree. The Nursing Program recommends the courses be completed prior to nursing coursework; however, they may be taken in conjunction with Nursing coursework, or during summer semesters.

NOTE 4: At the mid-point of the Associate of Applied Science Degree in Nursing program, students are eligible to take the practical nurse licensure exam (NCLEX-PN) to become a Licensed Practical Nurse (LPN). This additional certification is optional, and does not impact the RN program completion. Information about nurse licensure exams is available at <https://www.ncsbn.org/nclex.htm>.

NOTE 5: All Nursing coursework, and general education courses, must be completed with a grade of "C" or higher to progress in the program and meet graduation requirements.

NOTE 6: Students formally accepted to participate in Allied Health, Emergency Medical Services, or Nursing programs are required to comply with clinical access requirements prior to, and potentially during clinical education placement in a hospital, outpatient clinic, or other clinical education providers. The Program's Director or Coordinator will provide students with detailed direction and timeline for completing all clinical access requirements. Students are required to undergo a physical examination, immunizations, a drug screen, and criminal background check. For more information, contact the Nursing Department or refer to the 2025-2026 Academic Catalog.
