

# KCC FEHSENFELD CENTER

- Day and evening college classes
- Academic advising by appointment
- CNA Training and computer labs

KCC's Fehsenfeld Center is nestled on 95 acres two miles west of Hastings. The Center opened in the fall of 1996 and hundreds of students enroll in courses at the Fehsenfeld Center every academic year. The center offers classrooms, computer labs, science and Certified Nurse Assistant (CNA) labs, as well as a student lounge and open computer lab for student use.
